14. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Guduchi.
15. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Guggulu.
16. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Haritaki.
17. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Kalamegha.
18. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Kampillaka.
19. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Kanchanara.
20. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Karkatshringi.
21. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Karpura.
22. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Khadira.
23. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Kumari.
24. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Kutaja.
25. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Lavanga.
26. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Madanaphala.
27. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Manjishtha.
28. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Musta.
29. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Nagakeshara.
30. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Nimba.

31. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Nirgundi.
32. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Pippali.
33. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Punarnava.
34. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Pushkarmoola.
35. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Rasona.
36. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Sariva.
37. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Shalaparni.
38. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Shallaki.
39. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Shankhapushpi.
40. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Shatavari.
41. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Shigru.
42. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Shirisha.
43. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Tila.
44. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Trivrut.
45. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Vasa.
46. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Vatsanabha.
47. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Vidanga.

48. Write four synonyms, botanical name, family, classification, external morphology and useful parts of Yastimadhu.
49. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Amalaki.
50. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Ahiphena.
51. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Aragvadha.
52. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Sunthi.
53. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Arjuna.
54. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Arka.
55. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Ashvagandha.
56. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Ativisha.
57. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Bala.
58. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Bhallataka.

59. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Bibhitaka.
60. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Beejaka.
61. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Bilva.
62. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Chandana.
63. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Chitraka.
64. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Ela.
65. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Eranda.
66. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Gambhari.
67. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Gokshura.
68. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Guduchi.
69. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Guggulu.

70. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Haritaki.
71. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Hingu.
72. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Jambu.
73. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Jatamansi.
74. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Jatiphala.
75. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Jyotishmati.
76. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Karpura.
77. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Katuki.
78. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Khadira.
79. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Kustha.
80. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Kutaja.

81. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Lavanga.
82. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Lodhra.
83. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Madanaphala.
84. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Manjistha.
85. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Maricha.
86. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Musta.
87. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Nimba.
88. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Pipali.
89. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Rasona.
90. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Rohitaka.
91. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Sariva.

92. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Sarpagandha.
93. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Satavari.
94. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Shigru.
95. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Trivruta.
96. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Tvaka.
97. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Ushira.
98. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Varuna.
99. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Vasa.
100. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Vatsanabha.
101. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Vidanga.
102. Write about phyto-constituents, Rasapanchaka, action on Tridosha, therapeutic indication, therapeutic dose, importance formulations and four Amayika prayoga of Yashtimadhu.

103. Write about Ahiphena in detail with its purification method, adverse effects and remedial measures.
104. Write about Bhallataka in detail with its purification method, adverse effects and remedial measures.
105. Write about Kupilu in detail with its purification method, adverse effects and remedial measures.
106. Write about Vatsanabha in detail with its purification method, adverse effects and remedial measures.

**05 Marks**

1. Describe Rasapanchaka and indication of Ela-dvayam.
2. Describe the variety of Agnimantha.
3. Describe Rasapanchaka and indication of Adraka and Sunthi.
4. Describe Rasapanchaka and indication of Haridradvaya.
5. Describe Rasapanchaka and indication of Jeerakadvaya.
6. Describe Rasapanchaka and indication of Chandanadvaya.
7. Describe Rasapanchaka and indication of Pippali and Pippalimoola.
8. Define morphological characters of Arka dvaya.
9. Define morphological characters of Sariva dvaya.
10. Define morphological characters of Bala dvayam.
11. Define morphological characters of Chandana dvayam.
12. Define morphological characters of Eladvayam.
13. Define morphological characters of Karkatashruni.
14. Define morphological characters of Karpura.
15. Define morphological characters of Vacha.
16. Define morphological characters of Stri-Kutaja and Pu-Kutaja.
17. Write the morphology of Aragvadha and discuss the synonyms accordingly.
18. Write the morphology of Ashoka and discuss the synonyms accordingly.
19. Write the morphology of Kanchanara and discuss the synonyms accordingly.
20. Write the morphology of Guduchi and discuss the synonyms accordingly.
21. Write the purification method of Bhallataka and explain its Vishakta Lakshana and Chikitsa Upachara.
22. Write the purification method of Ahiphena and explain its Vishakta Lakshana and Chikitsa Upachara.

23. Write the purification method of Kupilu and explain its Vishakta Lakshana and Chikitsa Upachara.
24. Write the purification method of Vatsanabha and explain its Vishakta Lakshana and Chikitsa Upachara.
25. Explain therapeutic indication of Trivruta and write its five Amayika Prayoga.
26. Explain therapeutic indication of Pushkarmula and write its five Amayika Prayoga.
27. Explain therapeutic indication of Karpura and write its five Amayika Prayoga.
28. Explain therapeutic indication of Aragvadha and write its five Amayika Prayoga.
29. Explain therapeutic indication of Haritaki and write its five Amayika Prayoga.
30. Explain therapeutic indication of Bibhitaki and write its five Amayika Prayoga.
31. Explain therapeutic indication of Amalaki and write its five Amayika Prayoga.
32. Explain therapeutic indication of Chitraka and write its five Amayika Prayoga.
33. Explain therapeutic indication of Eranda and write its five Amayika Prayoga.
34. Explain therapeutic indication of Guduchi and write its five Amayika Prayoga.
35. Explain therapeutic indication of Jatiphala and write its five Amayika Prayoga.
36. Explain therapeutic indication of Kirattikta and write its five Amayika Prayoga.
37. Explain therapeutic indication of Kutaja and write its five Amayika Prayoga.
38. Explain therapeutic indication of Lavanga and write its five Amayika Prayoga.
39. Explain therapeutic indication of Pippali and write its five Amayika Prayoga.
40. Explain therapeutic indication of Yashtimadhu and write its five Amayika Prayoga.
41. Explain therapeutic indication of Tulasi and write its five Amayika Prayoga.
42. Explain therapeutic indication of Shatavari and write its five Amayika Prayoga.
43. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 07
44. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 09-10
45. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 20
46. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 34
47. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 36
48. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 38
49. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 39
50. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 44
51. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 48
52. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 51
53. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 53
54. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 58

55. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 59
56. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 61
57. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 64
58. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 81
59. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 100
60. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 110
61. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 145
62. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 153
63. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 154
64. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 160
65. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 161
66. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 162
67. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 171
68. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 178
69. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 179
70. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 182
71. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 184
72. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 190
73. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 197
74. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 206
75. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 228-229
76. Explain the Shloka: Bahvaprakasha Nighantu, Haritkyadi Varga, Shloka no. 238
77. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 08
78. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 14
79. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 45
80. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 72
81. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 86
82. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 181
83. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 234
84. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 239
85. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 279
86. Explain the Shloka: Bahvaprakasha Nighantu, Pushpa Varga, Shloka no. 47
87. Explain the Shloka: Bahvaprakasha Nighantu, Pushpa Varga, Shloka no. 52
88. Explain the Shloka: Bahvaprakasha Nighantu, Pushpa Varga, Shloka no. 62

89. Explain the Shloka: Bahvaprakasha Nighantu, Pushpa Varga, Shloka no. 63
90. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 14
91. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 22-23
92. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 28-29
93. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 30-31
94. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 35
95. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 49
96. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 54-55
97. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 65
98. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 66
99. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 67
100. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 68
101. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 101

**02 Marks**

1. Write the types of Haritaki.
2. Write the part used of *Ahiphena*.
3. Write four synonyms of Apamarga.
4. Write Rasapanchaka of Arjuna.
5. Give name of four main formulations of Ashwagandha.
6. Write two Amayika Prayoga of Ativisha.
7. Write indication of Bakuchi.
8. Define effect of Amalaki on Tridosha.
9. Write indication of Beejaka.
10. Write Guna-Karma of Bilva Phala.
11. Write two Amayika prayoga of Barhmi.
12. Give name of four main formulations of Eranda.
13. Give name of four main formulations of Guduchi.
14. Give name of four main formulations of Haritaki.
15. Give name of four main formulations of Nimba.
16. Give name of four main formulations of Nirgundi.
17. Give name of four main formulations of Maricha.
18. Give name of four main formulations of Lavanga.
19. Give name of four main formulations of Kutaja.

20. Give name of four main formulations of Khadira.
21. Give name of four main formulations of Katuki.
22. Give name of four main formulations of Kantakari.
23. Give name of four main formulations of Hingu.
24. Give name of four main formulations of Pippali.
25. Give name of four main formulations of Rasona.
26. Give name of four main formulations of Sariva.
27. Give name of four main formulations of Shatavari.
28. Give name of four main formulations of Trivruta.
29. Give name of four main formulations of Vasa.
30. Give name of four main formulations of Vatsanabha.
31. Give name of four main formulations of Vidanga.
32. Give name of four main formulations of Prapata.
33. Write Rasapanchaka of Katuki.
34. Write Rasapanchaka of Bakuchi.
35. Write Rasapanchaka of Kumari.
36. Write Rasapanchaka of Guduchi.
37. Write Rasapanchaka of Yashtimadhu.
38. Write Rasapanchaka of Vasa.
39. Write Rasapanchaka of Tvaka.
40. Mention the type Nirgundi.
41. Mention the type Musta.
42. Mention the type Bhrungaraja.
43. Mention the type Aparajita.

## **Part B**

**Point 2: Brief Knowledge of following dravyas with Respect to Sanskrit Name, Botanical Name, Family, Habit (Samanya Swarupa), Parts Used and Indications**

**05 Marks**

1. Write botanical Name, Family, Habit, Parts Used and Indications of Agatsya.
2. Write botanical Name, Family, Habit, Parts Used and Indications of Ajamoda.
3. Write botanical Name, Family, Habit, Parts Used and Indications of Akarkarabha.
4. Write botanical Name, Family, Habit, Parts Used and Indications of Jeevanti.

5. Write botanical Name, Family, Habit, Parts Used and Indications of Palandu.
6. Write botanical Name, Family, Habit, Parts Used and Indications of Parasika Yavani.
7. Write botanical Name, Family, Habit, Parts Used and Indications of Parijata.
8. Write botanical Name, Family, Habit, Parts Used and Indications of Amragandhi Haridra.
9. Write botanical Name, Family, Habit, Parts Used and Indications of Aparajita.
10. Write botanical Name, Family, Habit, Parts Used and Indications of Asthishrunkhala.
11. Write botanical Name, Family, Habit, Parts Used and Indications of Avartaki.
12. Write botanical Name, Family, Habit, Parts Used and Indications of Bakula.
13. Write botanical Name, Family, Habit, Parts Used and Indications of Bhumyamalki.
14. Write botanical Name, Family, Habit, Parts Used and Indications of Chakramarda.
15. Write botanical Name, Family, Habit, Parts Used and Indications of Chopachini.
16. Write botanical Name, Family, Habit, Parts Used and Indications of Danti.
17. Write botanical Name, Family, Habit, Parts Used and Indications of Darbha.
18. Write botanical Name, Family, Habit, Parts Used and Indications of Dhatura.
19. Write botanical Name, Family, Habit, Parts Used and Indications of Dhanvayasa.
20. Write botanical Name, Family, Habit, Parts Used and Indications of Dhanyaka.
21. Write botanical Name, Family, Habit, Parts Used and Indications of Draksha.
22. Write botanical Name, Family, Habit, Parts Used and Indications of Gojihva.
23. Write botanical Name, Family, Habit, Parts Used and Indications of Gunja.
24. Write botanical Name, Family, Habit, Parts Used and Indications of Ikshu.
25. Write botanical Name, Family, Habit, Parts Used and Indications of Kakamachi.
26. Write botanical Name, Family, Habit, Parts Used and Indications of Karanja.
27. Write botanical Name, Family, Habit, Parts Used and Indications of Karavellaka.
28. Write botanical Name, Family, Habit, Parts Used and Indications of Karaveera.
29. Write botanical Name, Family, Habit, Parts Used and Indications of Karpasa.
30. Write botanical Name, Family, Habit, Parts Used and Indications of Kataka.
31. Write botanical Name, Family, Habit, Parts Used and Indications of Katphala.
32. Write botanical Name, Family, Habit, Parts Used and Indications of Kharjura.
33. Write botanical Name, Family, Habit, Parts Used and Indications of Kokilaksha.
34. Write botanical Name, Family, Habit, Parts Used and Indications of Kushmanda.
35. Write botanical Name, Family, Habit, Parts Used and Indications of Lajjalu.
36. Write botanical Name, Family, Habit, Parts Used and Indications of Langali.
37. Write botanical Name, Family, Habit, Parts Used and Indications of Latakaranja.

38. Write botanical Name, Family, Habit, Parts Used and Indications of Mahanimba.
39. Write botanical Name, Family, Habit, Parts Used and Indications of Mandukaparni.
40. Write botanical Name, Family, Habit, Parts Used and Indications of Markandika.
41. Write botanical Name, Family, Habit, Parts Used and Indications of Masha.
42. Write botanical Name, Family, Habit, Parts Used and Indications of Mayaphala.
43. Write botanical Name, Family, Habit, Parts Used and Indications of Methika.
44. Write botanical Name, Family, Habit, Parts Used and Indications of Narikela.
45. Write botanical Name, Family, Habit, Parts Used and Indications of Patha.
46. Write botanical Name, Family, Habit, Parts Used and Indications of Patola.
47. Write botanical Name, Family, Habit, Parts Used and Indications of Prasarani.
48. Write botanical Name, Family, Habit, Parts Used and Indications of Priyala.
49. Write botanical Name, Family, Habit, Parts Used and Indications of Priyangu.
50. Write botanical Name, Family, Habit, Parts Used and Indications of Puga.
51. Write botanical Name, Family, Habit, Parts Used and Indications of Putiha.
52. Write botanical Name, Family, Habit, Parts Used and Indications of Shati.
53. Write botanical Name, Family, Habit, Parts Used and Indications of Tagara.
54. Write botanical Name, Family, Habit, Parts Used and Indications of Udumbara.
55. Write botanical Name, Family, Habit, Parts Used and Indications of Vamsha.
56. Write botanical Name, Family, Habit, Parts Used and Indications of Vata.
57. Write botanical Name, Family, Habit, Parts Used and Indications of Varuddhadaru.
58. Write botanical Name, Family, Habit, Parts Used and Indications of Vrukshamla
59. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 53
60. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 55-56
61. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 97
62. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 111
63. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 119-120
64. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 125-26
65. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 153
66. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 289
67. Explain the Shloka: Bahvaprakasha Nighantu, Guduchyadi Varga, Shloka no. 29
68. Explain the Shloka: Bahvaprakasha Nighantu, Pushpa Varga, Shloka no. 05
69. Explain the Shloka: Bahvaprakasha Nighantu, Pushpa Varga, Shloka no. 33
70. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 1-2

71. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 18
72. Explain the Shloka: Bahvaprakasha Nighantu, Vatadi Varga, Shloka no. 6
73. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 42
74. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 107
75. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 123-124
76. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 127
77. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 130
78. Explain the Shloka: Bahvaprakasha Nighantu, Phala Varga, Shloka no. 144
79. Explain the Shloka: Bahvaprakasha Nighantu, Shaka Varga, Shloka no.54
80. Explain the Shloka: Bahvaprakasha Nighantu, Shaka Varga, Shloka no. 63
81. Explain the Shloka: Bahvaprakasha Nighantu, Shaka Varga, Shloka no. 99
82. Explain the Shloka: Bahvaprakasha Nighantu, Shaka Varga, Shloka no. 103

**02 Marks**

1. Write the indications of Kamala.
2. Write the indications of Ajamoda.
3. Write the indications of Amra.
4. Write the indications of Jayaphala.
5. Write the indications of Jeevanti.
6. Write the indications of Palandu.
7. Write the indications of Parijata.
8. Write the indications of Amragandhiharidra.
9. Write the indications of Aparajita.
10. Write the indications of Asthishrunkhala.
11. Write the indications of Avartaki.
12. Write the indications of Bahumyamalki.
13. Write the indications of Chakramarda.
14. Write the indications of Changeri.
15. Write the indications of Chopachini.
16. Write the indications of Dhanyaka.
17. Write the indications of Draksha.
18. Write the indications of Dronapushpi.
19. Write the indications of Ikshu.
20. Write the indications of Indravaruni.

21. Write the indications of Kokilaksha.
22. Write the indications of Kushmanda.
23. Write the indications of Narikela.
24. Write the indications of Patha.
25. Write the indications of Patola.
26. Write the indications of Sharapunkha.
27. Write the indications of Udumbara.
28. Write the indications of Vata.
29. Write the botanical name, family and habit of Jeevanti.
30. Write the botanical name, family and habit of Ajamoda.
31. Write the botanical name, family and habit of Parasika Yavani.
32. Write the botanical name, family and habit of Amragandhi Haridra.
33. Write the botanical name, family and habit of Bijapoor.
34. Write the botanical name, family and habit of Atasi.
35. Write the botanical name, family and habit of Changeri.
36. Write the botanical name, family and habit of Danti.
37. Write the botanical name, family and habit of Gojihva.
38. Write the botanical name, family and habit of Gorakshaganja.
39. Write the botanical name, family and habit of Gunja.
40. Write the botanical name, family and habit of Ikshu.
41. Write the botanical name, family and habit of Indravaruni.
42. Write the botanical name, family and habit of Kasha.
43. Write the botanical name, family and habit of Kusha.
44. Write the botanical name, family and habit of Kushmanda.
45. Write the botanical name, family and habit of Mahanimba.
46. Write the botanical name, family and habit of Mandukaparni.
47. Write the botanical name, family and habit of Pilu.
48. Write the botanical name, family and habit of Snuhi.
49. Write the botanical name, family and habit of Vata.
50. Write the botanical name, family and parts used of Jayaphala.
51. Write the botanical name, family and parts used of Asthishrunkhala.
52. Write the botanical name, family and parts used of Chakramarda.
53. Write the botanical name, family and parts used of Chavya.
54. Write the botanical name, family and parts used of Darbha.

55. Write the botanical name, family and parts used of Katphala.
56. Write the botanical name, family and parts used of Sarja.
57. Write habit and part used of Agatsya.
58. Write habit and part used of Kadali.
59. Write habit and part used of Kadamba.
60. Write habit and part used of Ashvattha.
61. Write habit and part used of Atasi.
62. Write habit and part used of Badara.
63. Write habit and part used of Chandrashoora.
64. Write habit and part used of Chavya.
65. Write habit and part used of Darbha.
66. Write habit and part used of Dronapushpi.
67. Write habit and part used of Kakamachi.
68. Write habit and part used of Kankola.
69. Write habit and part used of Karavira.
70. Write habit and part used of Kusha.
71. Write habit and part used of Lajjalu.
72. Write habit and part used of Langali.
73. Write habit and part used of Mashaparni.
74. Write habit and part used of Nagabala.
75. Write habit and part used of Nala.
76. Write habit and part used of Padmaka.
77. Write habit and part used of Priyangu.
78. Write habit and part used of Saptaparna.
79. Write habit and part used of Shati.
80. Write habit and part used of Snuhi.
81. Write habit and part used of Tugaraka.
82. Write habit and part used of Vamsha.
83. Write habit and part used of Vruddhadaru.

**Point 3: Introduction, Guna, Karma and Uses of Jantava Dravya**

**05 Marks**

1. Write the introduction, Guna, Karma and Uses of Kasturi.
2. Write the introduction, Guna, Karma and Uses of Gorochana.
3. Write the introduction, Guna, Karma and Uses of Mrugashruna.
4. Explain the Shloka: Shshruta Samhita, Sutrasthana 46/54
5. Explain the Shloka: Charaka Samhita, Sutrasthana 1/68-68
6. Explain the Shloka: Rasatarangini 12/105,106,107

**02 Marks**

1. Write the types of Kasturi.
2. Give the introduction of Kasturi.
3. Give the introduction of Mrugashruna.
4. Give the introduction of Gorochana.
5. Explain the Guna of Kasturi.
6. Explain the Guna of Mrugashruna.
7. Explain the Guna of Gorochana.
8. Write the Karma of Kasturi.
9. Write the Karma of Mrugashruna.
10. Write the Karma of Gorochana.
11. Give the uses of Kasturi.
12. Give the uses of Mrugashruna.
13. Give the uses of Gorochana.

**Point 4: IV- Introductory Knowledge of Annapana Varga**

**05 Marks**

1. Write the introductory note on Jala Varga.
2. Write the introductory note on Dugdha Varga.
3. Write the introductory note on Madhu Varga.
4. Write the introductory note on Taila Varga.
5. Write the introductory note on Shukadhanya Varga.
6. Write the introductory note on Shamidhanya Varga.

7. Write the introductory note on Phala Varga.
8. Write the introductory note on Shaka Varga.
9. Write the introductory note on Mamsa Varga.
10. Write the introductory note on Aharayogi Varga.
11. Write a short note on Dhara Jala.
12. Write a short note on Anshudaka.
13. Write about indication and contraindication of Sheeta Jala and Ushna Jala.
14. Write a short note on Go-dugdha.
15. Write about the Guna karma of milk consumption according to different time period.
16. Write a short note on honey (Madhu) as a treatment and vehicle.
17. Write a short note on Tila taila.
18. Write a short note on Eranda taila.
19. Write a short note on Raktashali and its importance in treatment.
20. Write a short note on Godhuma.
21. Write a short note on Shali.
22. Write a short note on Mudga as a Pathya.
23. Write a short note on Masha and its importance in treatment.
24. Write a short note on Tila and its importance in treatment.
25. Write a short note on Karavellaka and its importance in treatment.
26. Write a short note on Surana and its importance in treatment.
27. Write a short note on Mulaka.
28. Write a short note on Grunjanaka.
29. Write a short note on Matsya (fish) mamsa.
30. Write a short note on Chhaga (goat) mamsa.
31. Write a short note on Kukkuta mamsa.
32. Write a short note on Sarsapa and its importance in treatment.
33. Write a short note on Sunthi and its importance in treatment.
34. Write a short note on Maricha and its importance in treatment.
35. Write a short note on Saindhava and its importance in treatment.
36. Write a short note on Hingu and its importance in treatment.

1. Write a short note on Jalapanavidhi.
2. Write a Guna of Mulaka Patra.
3. Write a Guna of Patola Patra.
4. Write a Guna of Guduchi Patra.
5. Write a Guna of Patola Phala.
6. Write a Guna of Shobhanjana Phala.
7. Write a Guna of Shali Dhanya.
8. Write types of Shali.
9. Write a Guna of Raktashali.
10. Give introduction of Shastishali.
11. Write a Guna-karma of Mudga.
12. Write a Guna-karma of Masha.
13. Write a Guna-karma of Adhaki.
14. Give introduction of Kulattha.
15. Give types of Tila.
16. Write a Guna-karma of Chanaka.
17. Write a Guna-karma of Kalaya.
18. Give introduction of Yava.
19. Give introduction of Sarshapa.
20. Describe the Guna of Rajika.
21. Describe the Guna-karma of Shyamaka.
22. Write Guna-karma of Palakya.
23. Write Guna-karma of Agatsyapushpa.
24. Write Guna-karma of Shalmaipushpa.
25. Write Guna-karma of Alabu.
26. Write Guna-karma of Kushmandaphala.
27. Write a Guna-karma of Karkati.
28. Write a Guna-karma of Karavellaka.
29. Describe the Guna-karma of Surana.
30. Describe the Guna-karma of Aluka.
31. Describe the Guna-karma of Raktalu.
32. Describe the Guna-karma of Mulaka.

33. Describe the Guna-karma of Grinjanaka.
34. Write a Guna-karma of Jangala mamsa.
35. Write a Guna-karma of Anupa mamsa.
36. Write a Guna of Kukuta mamsa.
37. Describe the Guna-karma of Matsya mamsa.
38. Give synonyms of Vari.
39. Describe the types of Jala.
40. Write Guna of Hemajala.
41. Who should not consume Sheetajala? Write it.
42. Who should not consume Ushnajala? Write it.
43. Describe the ancient water purification method.
44. What is the essentiality of Jalapana?
45. Who should consume less quantity of water?
46. Write the characteristic of Gunakari Jala (ideal water).
47. Write synonyms of Dugdha.
48. Write qualities of Dugdha.
49. Who should consume Milk? Explain it.
50. Write qualities of Go-dugdha.
51. Write qualities of Aja-dugdha.
52. Write qualities of Mahisha-dugdha.
53. Write qualities of Nindita Dugdha.
54. Write qualities of Sarsapa taila.
55. Write qualities of Sarjarasa taila.
56. Write qualities of Eranda taila.
57. Write qualities of Tila taila.
58. Describe the synonyms of Madhu.
59. Write the types of Madhu.
60. Write qualities of Naveena (fresh) and Purana (old) Madhu.
61. Write qualities of Madhuchhista.
62. Write a Guna-karma of Pakva Amraphala (ripen mango fruits).
63. Write qualities of Narikelaphala.
64. Write qualities of Kadaliphala.
65. Write qualities of Kalindam.
66. Write a Guna-karma of Bilvaphala.
